ORDER NO.

SUBJECT:

DOCKET NO. 2012-55-E - South Carolina Electric & Gas Company's Annual Update on Demand Side Management Programs and Petition for an Update to Rate Rider - Discuss this Matter with the Commission.

COMMISSION ACTION:

Move that we approve the application of South Carolina Electric & Gas Company, Inc. to update its DSM Rider effective for bills rendered on or after the first billing cycle of May 2012.

As a result of this annual review, I move that we allow the Company to bill its customers the following rates:

- 0.132 cents per kWh for residential customers
- 0.189 cents per kWh for small general service customers
- 0.131 cents per kWh for medium general service customers
- 0.012 cents per kWh for large general service customers

These rates shall remain in place until further action by the Commission.

As suggested by the environmental intervenors, the Company should:

1. Conduct robust and transparent EM&V and provide information on how the shared savings mechanism is calculated;
2. Consider increasing efficiency opportunities for the industrial customer sector;
3. Consider existing program delivery models as it develops a low-income residential energy efficiency program; and
4. Consider strengthening its efficiency portfolio in the future by adding additional measures and programs.

The Company should include in its 2013 annual update a description of how the recommendations in Items 2, 3, and 4 have been taken into consideration.

Additionally, the Company shall provide copies of its EM&V reports to ORS and to the Commission.

As established in Order No. 2010-472, the Company shall continue to file its annual update by January of each year. Hereafter, Petitions to Intervene must be filed by February 28, and ORS and other intervenors shall comment on the Company's Application no later than March 15. After March 15, the Commission will

make a determination as to whether further proceedings are necessary.

Additionally, I move that for all future annual updates, the Company provide notice pursuant to the Commission's discretionary power under S.C. Code Ann. Section 58-27-870(F).

PRESIDING: Howard
